Marine equipment supplied by VFB Funkwerk Koepenick RFT to VFB Perlmelde-Anlagebau (construction of telecommunication plant) in Rostock included the following items:

For Ship	Number of Items	Kind of Equipment
SESTRORETSK	1	echo sounder
ADMIRAL NAKHIMOV	2	distributing boxes for revolution indicator
VOLOGDA	1	lifeboat radio equipment
	1	spare parts box for electrical ship mains
SOVIETSKI SOYUZ	2	emergency transmitters of between 60 and 80 Watt, each with four spare parts boxes
	1	distributing box for rudder indicator system
Pinnaces Nos 1 through 4	1	revolution indicator, each
FS boat No. 2007	1	engine-room telegraph system
FS boat No 2008	1	engine-room telegraph system
FS boat No. 2011	1	hand-operated revolution control device for electric ship mains
FS boat No 2012	1	transformer and starter and
	2	hand-operated revolution control device for electric ship mains
	2	instrument panels for speedometer system
FS boat No 2013	1	instrument panel for speedometer system
65-m passenger ships	1	emergency transmitter

For Ship	Number of Items	Kind of Equipment
65-m passenger ships Nos 1 and 2	4	spare parts boxes for 60 / 80 Watt emergency transmitter each
65-m passenger ship No 3	4	spare parts boxes for 60/80 Watt emergency transmitter
	1	spare parts box for revolution indicator
	1	rudder telegraph installation
	1	distributing box for rudder indicator system
65-m passenger ship No 4	4	spare parts boxes for 60/80 Watt emergency transmitter
	1	rudder telegraph installation
65-m passenger ships Nos 5 and 6	4	spare parts boxes for 60/80 Watt emergency transmitter each
	1	receiver for speedometer system
	1	spare parts box for revolution indicator system
	1	spare parts box for electric ship mains
95-m passenger ships Nos 4 through 10	1	receiver for speedometer system each
3,000-ton freighter No 4		subsequent delivery for spare parts box
3,000-ton freighters Nos 5 and 6		subsequent delivery for spare parts boxes
3,000-ton freighters Nos 7 and 8	1	engine-room telegraph installation each
	1	echograph installation each
		subsequent delivery for spare parts boxes
3,000-ton freighter No 9	1	engine-room telegraph installation
Warrior No 4	2	dial lamps for spare parts box of echograph installation
refrigerator vessel		subsequent delivery for echo sounder
		subsequent delivery for spare parts box
15-ton floating crane No 9	1	engine-room telegraph installation
15-ton floating cranes Nos 12 and 13	1	transformer and starter for electric ship mains each
	1	rotary-type indicator for spare parts box for engine-room telegraph installation each
15-ton floating cranes Nos 14 through 16	2	transformers and starters for electric ship mains each
	1	main safety fuse box, pilot lamp and signal horn for electric ship mains each
	1	rotary-type indicator for spare parts box for engine-room telegraph system each
15-ton floating cranes Nos 17 through 19	1	rotary-type indicator for spare parts box for engine-room telegraph system each
	2	brush holders for spare parts box for ship mains each
	1	main safety fuse box, pilot lamp and signal horn for electric ship mains each
50-ton floating crane No 5	1	spare parts box for electric ship mains
Fishing program	10	transformers, 23 V 220 V
	2	spare parts boxes for echo sounder system
unidentified	1	60/80 Watt emergency transmitter
Fireboats Nos 1 and 2	1	revolution indicator installation each ( to be delivered direct to Schiffsbauwerft in Gehrdsorf (ship and boatbuilding yard).
